PUBLIC COMMENT – None.

PLAN REVIEW STATUS

Redner's Warehouse – Nothing to report.

Brandywine Transportation – Mr. Becker, Mr. Unger and Mr. Donovan discussed with the Board the public improvements for this property. The original plan was much more detailed for sewer than the final plan. Typically with big projects the Board enters into a municipal improvements agreement, financial security agreement, and a maintenance agreement with the respective party. Financial security would need to be posted under the Municipal Authorities Act to cover the amount of the municipal improvements using a letter of credit, cash, or a bond. In the past with smaller projects similar to this, the respective party posts the escrow for the amount in cash and the Authority goes out to do the work. The Authority does the work because it is our line and in our right of way. Mr. Donovan suggested following this procedure as the Authority has in the past with projects of this size. Mr. Donovan estimated a cash escrow of \$19,250.00 for the improvements and a separate cash escrow of \$3,500.00 for inspections.

A motion was made by Dan Novakovich to authorize Mr. Donovan to allow Brandywine to escrow the amount needed for the municipal improvements and the Authority do the work. The motion was seconded by James Nothwehr and hearing no questions on the motion, it passed unanimously.

DEVELOPMENT CLOSEOUT STATUS – None.

GIS Project – The GIS Project is proceeding smoothly. SDE is discussing with the Township Manager about inputting some of the Township's information into the GIS system.

Ground Water Withdrawal Permit – The renewal of the Ground Water Withdrawal Docket was submitted to DRBC. SDE has not received a response from DRBC for the Docket renewal submission yet.

AUTHORITY REPORT

Patrick Donovan advised the Board that the Authority televised the storm sewer based on the Township's findings in one of the developments recently. The Authority did not want to be pushing 2,000 gallons a minute through the storm sewer without televising it first. Everything appears to be in good condition and no damage will occur. A small reporting violation occurred resulting in a late reporting. The violation will appear on the 2015 Consumer Confidence Report and will state that the Authority was late reporting on a TTHM or Trihalomethanes test.
