Option 1 would be a newly constructed line starting at the end of Spirit Court and stopping at Route 73. The second option is coming across the property, crossing the empty lot and connecting at Cornerstone Drive. The third option is coming out from Well 6 and 7 along the property line straight to Route 73. The fourth option is a combination of the second and third option. Option 4 connects Well 6 and 7 to Cornerstone and Route 73. The Board discussed the options at length and decided to pursue the second and third option together. SDE will discuss with Mr. Donovan where the budget numbers stand and talk about the next step.
